

I Will and I would rather

<http://iwouldrathermystreets.com>

I will be in Maryland in less than two hours.

↑ corrupted avatar with the tweet that caused the corruption

One day I will find something better to do - perhaps get on with writing?

tvärbanan, me and sam

There was an ominous tone to his voice. I thought he was being overly dramatic.

↑ sample micro narrative

16

black ice

Excited with the winter, I would jump around, unaware that in the night one cannot see the layer of ice over asphalt.

↑ image accompanying one of the endings

His flying weapon might from far attain.
In blowing airs from the fields back again give me my darlings, give
And so the conversation slips
In human rights I judge.

In Spenser's halls he strayed, and bowers fair,
Till, looking back, the Trojan fleet he view'd,
In a dream I spoke with the Cyprus-born,
Whom Allia washes with her fatal flood.
